1. All Greek owners of vessels operating on the Danube under the Greek flag who cannot pay the salaries and upkeep of their crews, have had judgments rendered against them, at the instigation of their crews, whereby the State, through S.R.D. (Rumanian Danubian Society), will take over administration of these vessels. The State will then pay all salaries and expenses, for which an accounting will be rendered at a later date.
2. This, in effect, amounts to requisitioning of Greek vessels by the Rumanians.
